“Good Neighbor Policy”

This is a courtesy letter to our neighbors on Finney Road and North Avenue to address any concerns to on-street parking issues occurring on Finney Road or North Avenue as a result of the Kirk Baucher School’s activities.

Wood Colony Christian School has contacted the director of the Kirk Baucher School, Jacob Gregg, requesting parking attendants to be on duty for activities requiring excessive parking to direct the vehicles off the streets and to use the grassy fields to accommodate extra parking on these occasions. Additionally, parking signs will be placed to deter on-street parking. Restricting on-street parking is also a huge safety measure for all involved.

For further concerns, please contact the Kirk Baucher School office @ 209-550-5858 or the Kirk Baucher School Director, Jacob Gregg, @ 209-202-7020 or Wood Colony Christian School President, David Bauman @ 209-988-8658

Thank you,

Wood Colony Christian School Board
