

## Resource Parent Reapproval Questionnaire

1. Describe any changes that have taken place in your family over the past year? (Anyone moving in or out, anyone turned 18 years old, change in jobs, adoptions, births, etc.). Provide specific information such as names, dates of birth, ages, new employer info., etc.
2. Describe any physical changes made to your house this year. (additions, remodeling, etc.)
3. Describe any special events that your family has participated in this year (vacations, trips, attended sporting events, concerts, anything you specifically did with your foster youth to improve their quality of life, etc.).
4. What trainings have you enjoyed? How has the training helped you better parent the children in your home? What new discipline and reward systems are you using to improve behaviors in your children?
5. What traditions or cultural practices have you shared with the children who joined your family? In what ways have you been able to incorporate their culture into your daily routines?
6. How has your daily routine changed since the last psychosocial assessment (home study)?
